There was a mad dog in Dunnellon the other day that succeeded in biting two persons before he was killed.

The whooping cough and mumps are getting in their work at Quincy and it is said they are "whooping it up" on nearly every corner.

L. J. Carmichael of Beaton Harbor, Mich., was killed on Monday by the accidental discharge of his gun while in the woods near Ocala.

The DeSoto county teachers will meet in Arcadia Friday, December 1st, and tell all they know about teaching the young idea to shoot.

The flower garden of Rev. J. B. Ley at Live Oak was ruined by rambling cows running at large on Friday night. The city should be made to pay damages.

Chicken owners at Winter Park are bound to save their poultry if they have to keep an arsenal in the house and practice target shooting on the hen-house intruders.

In a fight on the steamer Manatee, en route from Tampa to St. Petersburg, Friday, the colored cook was stabbed by the steward with an ice pick. He will recover.

Winter Park is a healthy spot. Andrew Richmond of that place celebrated his 86th birthday a few days ago, and Mrs. Guild entertained at her 80th birthday anniversary.

The fifty Mexicans who were landed in Marion county to work in the phosphate mines have found the labor too strenuous and have taken a "lie pass" to return to their own Mexico.

owns several groves in Florida and Porto Rico, and talks with some knowledge of the subject.

J. H. Graves, an employe at No. 10 phosphate mine of the Dunnellon Phosphate Company, met a horrible death at the plant November 25th. He attempted to swing a large water hose in position to wash the floor where he was standing, but the water pressure was so great that it threw him in the rock crusher close by, which mangled his legs fearfully, almost tearing them from his body before the machinery could be stopped. Mr. Graves leaves a wife and several children. He was about sixty-five years old.

The Kissimmee Valley Gazette says that Florida citrus fruits are now ripe and in fine juice and flavor. A great deal of the fruit has been shipped green this season, which will probably have the effect of making our Northern friends skeptical as to the superiority of our far-famed fruits, but if they will give them a trial now they will no doubt be convinced that Florida oranges possess all the good qualities claimed for them and more, too, if possible. The fruit is now going forward at a rapid rate and it is thought there will be very little left in this section of the State after the holidays.

MAKING IMPROVEMENTS.

Colson & Gay Building New Houses on Their Micanopy Place.

Colson & Gay, who recently purchased the naval stores business of F. S. Osteen at Micanopy, are spending considerable money in improving the place, and have already constructed ten neat and substantial houses to be occupied by employes. They propose to make the place one of the most attractive and up-to-date of its kind in the State and will work to that end.

Man's Unreasonableness

Is often as great as woman's. But Thos. S. Austin, manager of The Republican of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters she was perfectly cured, and can now perform all her household duties." Guaranteed by all druggists. Price 50c.
